Thanks so much for those edits! So much better now! Lucita, would you mind looking it over, too, please?

Do you see a down side to suggesting a specific day, such as July 18 and requesting a reply back by July 8? I would like it to mesh with the letter to President Steele requesting a consultation meeting later that day or the next day.

Natasha, would you have time to get together Monday to give Suzy a call to see if July 18 would works as far as she knows?

Thanks!

Valois
